PROFILE

My education begins in elementary school at Vicentina Mercês school, continues with high school completed in 2019 at Marista Paranaense and now I am studying Higher Education in Economics (Evening) at PUC - PR. I'm looking for an internship in the business and economics area, in addition to providing additional income to pay for my college education in these same areas, strengthening my professional development with a long-term mindset. I have a great desire to learn whatever is proposed as a challenge and I have a great deal of prior knowledge in the IT area, SAP and the management of virtual sales platforms, business management, marketing, tax systems and tax regulations, intermediary in Java, Python, SQL, BI tool Power BI and basic HTML and BI tool QlikView.
